be entering up to 3 or 4 teams. All top 30 players should

4. WTTL COMPUTER RANKING: * Note last year's IMPROVEMENTS *
There should be comparisons with previous season as before.
If this works it is to the right of usual columns. The New
NOTES 6, 7, 8 cover this. Layout should be as before, i.e.
CLUB list with overall RANKING on back, both with Handicaps.
Also most improved players list. I'm still doing rankings
and printing after this note so hope all OK; see item 9[b].
Ranking and derived handicap are based on ALL league results
OVER WHOLE OF THE SEASON i.e. BOTH HALVES. Handicaps on the
ranking list are for 21 up. HANDICAPS may be adverse if only
few matches have been played; SEE usual NOTES 1 to 5 on list.

5. SURREY SENIOR CLOSED TOURNAMENT: NOT due to be run due to
